

DSF Career Success Coaching Program

Milestones

1) **Align strengths and values to career pathways:**

Scholars can identify and articulate their strengths & values. Scholars can then identify at least 3 career pathways that align with these strength & values.

2) **Sign up for and use job search platform:**

Scholars will sign up for and learn how to use CareerFit Colorado to search for career oriented entry level jobs.

3) Identify & articulate 3 skill gaps and 3 strengths: Use Durable Skills to help with this process.

4) Have a complete Resume: Scholars have a completed resume and understand how to quickly tailor it for a job.

5) Have a complete LinkedIn Profile: Scholars have a completed LinkedIn Profile and understand how to use LinkedIn. (Upon successful completion of program, coaches provide recommendation per coach's discretion)

6) Understand the importance of Networking and create connections with Coach: Scholars learn to build and leverage their network with coach to improve professional connections and be competitive in job search.

7) Interview Skills: Scholars understand how to answer common interview questions to highlight their strengths, values, and the positive benefits they can bring to an organization

8) Financial Literacy: Scholars understand how to save, invest, and take advantage of workplace benefits.
