

Have you taken REACH PPP with VMAP?  
Take the next step with VMAP's

# Beyond the BASICS

REACH PPP taught you the essentials of diagnosing and treating pediatric mental health concerns—but many young patients have mental health needs that are **more complex** than what these trainings cover.

This is why we developed VMAP's **Beyond the Basics**, an education offering designed for primary care clinicians who are already advanced learners and want to dive deeper into how to manage more complex pediatric mental health needs.

## Who

Primary care clinicians who have completed a REACH training, including participation in the 6-month virtual learning call groups

## What You'll Gain

- **Deeper knowledge** in pediatric mental health that builds on what you've learned
- **Increased confidence** in handling complex pediatric mental health cases
- An understanding of how to apply your skills to **improve patient outcomes**

## When

August 29–30 (Saturday–Sunday)

## Where

Staunton, VA

## Cost

\$100 registration fee  
Lodging provided\*
