Access Program

CONTINUING EDUCATION OPPORTUNITY IN **Pediatric Mental Health**

REACH Patient-Centered Mental Health in Pediatric Primary Care (PPP)

Are you a Virginia PCP looking to gain professional education in pediatric mental health? Join us for REACH PPP!

What to Expect with REACH PPP

- A dynamic 3-day, 16-hour interactive course led by expert Virginia faculty. Build skills in diagnosing and treating pediatric mental health conditions—**only cost is a \$100 registration fee!**
- Follow this with a 6-month, case-based online program. You will join bi-monthly group calls that focus on how you can **manage pediatric mental health issues** encountered in daily practice.
- Receive your very own **custom-designed toolkit** complete with guides, assessment instruments, dosing and side effect charts, medication comparison tables, and handouts for patients and parents.

CME Opportunity:

Qualify for up to 28.25 CME & MOC-2 points, and 25 MOC-4 points!

Multiple REACH trainings are offered each year with in-person and virtual options.

VMAP offers this training program developed by The REACH Institute (www.TheREACHInstitute.org) adapted for Virginia PCPs.

Course Goals

- Correctly identify pediatric mental health conditions
- Effectively manage pediatric psychopharmacology
- Create and implement a treatment plan that mobilizes existing resources

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the Medical Society of Virginia. The Medical Society of Virginia is accredited by the ACCME to provide continuing medical education for physicians. The Medical Society of Virginia designates this activity for a maximum of **28.25 AMA PRA Category 1 Credit(s)™**. Physicians should claim only credit commensurate with the extent of their participation in the activity.
