

REACH Patient-Centered Mental Health in Pediatric Primary Care (PPP)

Are you a Virginia primary care provider (PCP) looking to gain professional education in pediatric mental health? Join us for REACH PPP, Thursday through Saturday, February 26-28, 2026.

What to Expect with REACH PPP

- A dynamic 3-day, 16-hour **interactive course** led by expert Virginia faculty. Build skills in diagnosing and treating pediatric mental health conditions—only cost is a \$100 registration fee!
- Follow this with a six-month, case-based **online program**. You will join bi-monthly group calls that focus on how you can manage pediatric mental health issues encountered in daily practice.
- Receive your very own **custom-designed toolkit** complete with guides, assessment instruments, dosing and side effect charts, medication comparison tables, and handouts for patients and parents.

**Thu-Sat
February 26-28**

Virtual
Join from anywhere in Virginia

**Earn up to 28.25 CME & MOC-2,
and 25 MOC-4**

Course Goals

- Correctly identify pediatric mental health conditions
- Effectively manage pediatric psychopharmacology
- Create and implement a treatment plan that mobilizes existing resources

VMAP offers this training program developed by The REACH Institute (www.TheREACHInstitute.org) adapted for Virginia PCPs.
